

Other Sport Vehicles

- 1) Motorcycles are not permitted to operate on the lake ice at any time. All other usage will be on the owners' private property and/or follow state laws and regulations for motor vehicle operation.
- 2) Snowmobiling and other winter sports (such as sledding) are to be held on community/club property or on an owners' private property. Guests are to be with members. Hours for such winter sports are not to be later than 11:00 PM. Please observe these rules, and do not destroy lawns and small trees on another's private property.
- 3) All-terrain vehicles (such as "4-wheelers") are to be operated only on community/club property (excluding the dam) or on the owners' private property.
- 4) Guest vehicles are not permitted on community/club property at any time.

Sport Vehicle Registration

When members choose to operate snowmobiles and all-terrain vehicles on Community/club property, such vehicles must bear a club decal. Applications for such decals will be submitted with the membership and boating registration applications.

- 1) \$5 Fee for each vehicle is required.
- 2) Sport vehicles must maintain the same liability coverage as watercraft.
- 3) Applications may be submitted at any time, but decals must be obtained and affixed before operating the vehicle on community/club property.
- 4) Once a club decal is obtained, that decal will be good through March 31 of the following year.
