Certification Statement

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record or that I have been authorized by the owner to make this application as his/her authorized agent, and I agree to conform to all applicable laws of Warren County and the rules and regulations of Little Swan Lake, including the provisions that the exterior of the building project must be completed within twelve (12) months of initial permit approval and that all new construction must conform with the International Residential Code (2006), the National Electrical Code (2005), and the Illinois Plumbing Code (2004). I understand that if the project is not completed within twelve months that I may request a six-month extension with the payment of a \$500 fee and that if not completed within this extension period that I will pay a penalty of \$500 per month, on the first of each month, until project completion and final approval by the Building Committee.

Under penalties of perjury, I hereby certify that owner/applicant has fully paid all taxes and all the other debts owed to the Warren County and Little Swan Lake as of the date of this application. If a permit for work described in this application is issued, I certify that the code official of Warren County and Little Swan Lake or the code official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the revisions of the code(s) of Warren County and/or rules and regulations of Little Swan Lake applicable to such permit.

I have carefully reviewed and understand the rules and regulations of the Little Swan Lake Club as they pertain to building projects and agree to fully comply with the expectations of the certification statement above. Further, I understand that a person found to be in violation of these rules and regulations agrees to pay court and attorney costs incurred by the Little Swan Lake Club in enforcing them.
